SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The mission statement for CrossRoads Middle School describes our school as a place where "children are cherished and challenged" at a true crossroads in their lives. We take our mission statement to heart in everything that we do. It guides all our decisions and we work to be faithful to it in all our actions. CrossRoads considers itself and the community it serves to be a closely-knit family, working together to provide the best educational possibilities for all students. We believe it is important to recognize our diverse population and we work to create a friendly and welcoming atmosphere for everyone.

We are indeed proud of our accomplished students and staff members. In 2008-09, almost 400 students were initiated into the National Junior Beta Club. Weekly school and team newsletters, e-mail, and a frequently updated website kept our parents informed and connected to our school. InTouch, a web-based program, allowed parents to view their child's attendance, discipline records, and grades. Two more teachers were designated National Board Certified Teachers, bringing the total number of teachers earning this certification to 23. CrossRoads was a recipient of the Palmetto Silver Award recognizing our students' excellent performance on the 2008 spring administration of PACT.

Last year, over 850 students were involved in single gender classes for the four core content areas. This initiative has been very successful for our students. Teachers and parents report that students have been more focused, tried new challenges, and achieved better grades than in previous school years. Students report that they feel more confident in the core content classes. In a comparison of CrossRoads' students to a national sample, MAP results indicate that students in single gender classes at CrossRoads for the 2008-09 school year performed extraordinarily well, exceeding the performance of their counterparts in mixed gender classes.

Our exceptionally well-qualified and dedicated teachers worked to provide students with an academic toolbox to prepare them for the secondary experience. Teachers aligned instruction with state standards through curriculum mapping. To address academic weaknesses, students participated in academic assistance twice weekly during the school day.

CrossRoads takes pride in its enthusiastic commitment to make sixth-grade unforgettable for all of our students. We encourage your participation in the activities of our school and appreciate your continued support as we work to provide the best in educational opportunities.
